Occupancy Guidelines

Occupancy guidelines are governed by State, City and local ordinances. Our rent is based on no more than two (2) persons per bedroom and the average use of our utilities per person such as water, sewer, trash and the amount of parking spaces available at the property.

All occupants over the age of eighteen (18) must complete an application, meet all rental criteria and be listed on the lease if they intend to reside in the apartment.

If two or more unrelated residents (roommates) request to reside together in the same apartment all their rental applications will be reviewed and evaluated together.
